2. Introduction of those present: Jim Ayrey, Sally Ayrey, Maria Timmerman, Rose Keough
Chair Marc Hyde, Selectboard members Rick Timmerman, Jon French, Steve Bendix, and John
Williams.
3. Approval of minutes from previous meeting. *No action taken as not yet received.*
4. Public Comment
 1. Sally Ayrey raised a concern as to the timeliness of the posting of the SB minutes as well
as the wording used in referencing approval of prior meeting's minutes.
 2. Maria Timmerman appeared on behalf of the Arlington Community house. She shared
that the facility is available to residents of Sunderland and other community groups. The
Arlington Community House also has a kitchen which can be used in conjunction with
meetings held at the facility.
5. Reports from Road Liaison and/or Highway Foreman.
 1. There has been some concerns brought forward in regard to mailboxes impacted by
recent weather events.
 - a) The town's policy is that if the truck's "plow" hits a residents mailbox the Highway
Dept. we will replace the mailbox when notified.
 - b) This does not include boxes knocked over from snow and slush exiting the plow that
knock down mailboxes.
 - c) Unfortunately most of this year's snow storms the temperature has been near 32
degrees which results in heavy, wet, sloppy snow that can wreak havoc on mailboxes.
 2. Williams and Timmerman attended an Arlington Selectboard meeting last week. The
Arlington Selectboard has given Sunderland authority to move existing low bridge sign at
the Antique mall parking area in Arlington up to the EAT parking area and to add a
flashing light. This sign was originally installed by Sunderland. All costs involved with
the change will be incurred by Sunderland. These moves are to address the continued
issue of large delivery trucks attempting to cross the Chiselville Bridge.
- Old Business
 1. Budgeting for next fiscal year
- New Business
- Review of bills and signing of selectboard's orders
- Review of correspondence

Meeting adjourned at 7:20 moved by Jon French, seconded by Rick Timmerman.
